

SATISFACTION

In wearing apparel is secured only by a rare combination of style, fit and quality in material, careful workmanship and reasonable price with long service. If you would buy where these several important points are joined into excellence and superiority, you must come to our store. Never before have our two mammoth rooms been crowded with such an array of

MATCHLESS VALUES.
Dollars have once more performed double duty and no department under our roof has been slighted.

DRY GOODS!

Watchfulness keeps us in touch with the latest creations of dress goods and trimmings. Stylish dressers should inspect our selections of Novelty Weaves as well as our vast assortment of the more modest fabrics in all the popular colorings. Our line of fancy suitings in three-toned mixtures and obscure patterns with color combinations of green and white, and blue, white and brown, is complete. Some of these are illuminated with rough yarn effects alternating with dark stripes; another has a solid color ground with a multi-colored indistinct figure, having the appearance of printed yarn effect. They are all good natty cloths 36 and 38 inches wide, and are excellent values at 50 cents per yard, making them cheap for stylish suits. For trimmings we find Jewel Braids to predominate, but silks, in fancies, brocades, plain, moire and in Persian effects are much used. Buttons and buckles also command a conspicuous place in the trimming line—and our stock is complete.

Cotton Novelty.

A new thing in a very stylish cotton and wool mixed dress fabric is our Ste. Marie, which supplants the higher grade materials because of its handsome effect and remarkable low price. 32 inches wide and only 20 cents.

Flannels.

The best flannels are now cheap enough for anybody to buy and no shoddies find quarters in our shelves. Starting with a 27-inch Shaker at 7 cents per yard we have all grades up to our imported Eider Down at 50 cents per yard.

Cotton Flannels, Muslins, Batting, etc.

Cotton has recently been ruinously low and we foresaw the present advance in time to get in on the "ground floor" for a full supply of cotton flannels, muslins, flannelettes, shirting, ticks, batting, etc., etc. prices lower than ever before.

FURNISHINGS.

Special attention to this line has flooded our usual space in this department with such irresistible offering that we cannot here enter into a just description.

Good Hosiery and underwear preserve the health. Our stock embraces work from the best knitting mills in the country. In fleece lined wears we show exceptionally desirable garments in all sizes from infants to extra sizes for adults. Our line of Union Suits for ladies is the best we ever handled. A practical shoe man can tell you what sort of a shoe you ought to want. For a stylish shoe for ladies we recommend the Tennent, Stribbling & Co's. make as a superb combination of finest stock and genteel fitting. Nothing made to excel this celebrated line of fine goods—very chic. In Gents' Fine Goods we are offering the popular make of Brown Shoe Co., which is the fashion leader for the sterner sex and finds no superior anywhere—once worn always wanted. Then come the coarser grades for service and the much wanted durable school shoes. Shoes are cheaper with us than usual. Rubbers of the best quality and in all the new lasts—can fit your razor toes or the broad gauge as well.

CLOAKS AND CAPES.

Capes will always be popular so long as they are as handsome as ours, and Jackets like ours will always be wanted.

Our Men's \$10.00 Clay Worsteds are equal to the nicest tailor made garments—best quality, stylish make and accurate fitting. School Suits are a specialty with us, for all sizes. Here is where genuineservice is the chief requisite. The Normal or College student as well as his younger brethren requires something reliable as well as comfortable. We understand these features and govern ourselves accordingly on our purchases. We can help you save a few dollars in buying this kind of an outfit. A good pair of suspenders free with each suit.

Hats and Caps.

Whether it is hot or cold, wet or dry, you always want a hat or cap. Our this season's line is full to overflowing of the latest shapes and most popular makes. The new Pasha is quite the rage in fashionable centers. Why not here also? A good cap for 20 cents will perhaps seem too cheap to you, but they are to be had here, only.

J. H. Zeilin & Co., Philadelphia.

ZALMA.

The G. O. P. organized a Trust and Monopoly club of twenty-four members here last Monday night.

T. B. Liggett of Cape Girardeau spent several days here last week buying wheat.

Surveyor Speers returned from Arkansas Tuesday. The wind blows through his whiskers. Perhaps J. W. Reilly has never seen his opponent since he has grown those whiskers. I should think it would make him shake to hear the wind whistling through them.

Hon. Louis Houck spoke to a large audience here Thursday and to him belongs the honor of setting aright one gold republican. However, there are several others here. The republicans have no time to persuade weak democrats this year. They are kept busy with their own clock.

The Cash-book need not fear the influence of Rumbunctious' paper in this county. The people all know him. They are on to his little game.

Messrs. Brown and Brooks were up railroading again Thursday.

D. S. Mann went to Cobden, Ill., Thursday.

Wonder why Asier won't tell where he learned surveying? If he doesn't the people might think that he knows nothing about it and it is possible that it will make against him.

Umph James is very low with the typhoid fever.

Correspondents, let us send in our little batch of news to THE PRESS every week and keep it where it now stands and has for the last few years—among the best papers in southeast Missouri and the best, by far, in the county; and especially from now till the election will every article from different parts of the county be scanned with interest. Send 'em in and keep her booming.

Adolph Mayer was in town Sunday.

Rev. Hembree preached his farewell sermon here Sunday night; he departs for other fields, but will always be remembered by our people as a true Christian gentleman, who holds the highest esteem and respect of those with whom he comes in contact.

Aleck Martin, the republican nominee for J. P. of this township, has been pulled off. It is well, better now than in November.

Bill Tuck has moved in town; he's a red-hot democrat, too.

Also Dick Whitaker, another democrat, has moved off his farm to spend the winter with us.

Who'll be the next? One more will give us a majority in town.

A. J. McMinn left Monday for St. Louis. He will take in the fair and buy some goods.

S. J. McMinn went up home Sunday.
